## Project Aim and Results

The CONOCO project aims were the collection of practices from the partner countries and beyond, on how the European employees-employers, educators-students, parents-grandparents, including people with disabilities, were coping with staying at home while highlighting original, typical approaches that proved to be efficient and helped people's productivity and creativity.

# Project Aim and Results

To meet the aims of the project the following results and deliverables are expected:

- A comprehensive E-book with good practices
- Video Testimonials

## Major results

The survey, receiving information from the categories below:

- Teacher-Professor Employees
- Non teacher employees
- Parents
- Grandparents/older persons
- Employers
- Students
- Pupils

! **875** answered questionnaires with answers from all over the world!

# Major results

**Video Testimonials from all target groups,**  
short and long are completed and published.
